

# **OUR GOALS**

## **PLACE Foundation**

### **2018-2028**

#### **General**

**1. Financial support for aid projects for needy children and young people around the world,**

who are dependent on the help of others due to their physical, mental or emotional condition or their financial situation (e.g. support for projects that support hearing and visually impaired children, for example programs with which they are introduced to music or can take part in school and vocational training).

**2. Direct domestic financial support for the persons**

named under §1, organizations or groups of people.

**3. Donations to tax-privileged corporations and / or legal persons under public law,**

which pursue other charitable purposes than in §1 are permissible, but should not predominate.

**4. The purpose of the foundation is realized worldwide.**

#### **Specific goals**

**5. Projects that serve the early detection of a possible hearing impairment in children,**

such as B. Hearing screening see for newborns in hospitals and similar institutions

**6. Projects that prevent blindness in children and adolescents**

or can treat through preventive medical care, Health education and about improving living conditions.

**7. Projects and measures, for example at schools,**

that offer the opportunity to hearing and visually impaired children and adolescents the participation of public schools and promote participation in social life.

**8. Projects for advanced training and public relations work** with the aim of making the public aware

of the limitations of hearing and visually impaired people as well as of the possibilities and effectiveness of countermeasures.
